REPORT OF SCHOOL BOARD.

Looking back on the school year, we feel that it has been a successful one, although the small number of scholars in Nos. 4 and 13 made it seem best to discontinue them for the present, taking the scholars in No. 4 to North Richmond, and hiring the two in No. 13 schooled in Fitzwilliam. We were fortunate in securing experienced teachers for the remaining schools, all of whom did good work and won the good will of scholars and parents.

Thanking the people for their hearty cooperation with the teachers, and the kindly courtesy we have received at their hands, we respectfully present the following report.
